*Polly Joke, our local beach...*

Nestled in a small hamlet between Cubert and Crantock villages, our peaceful 5-Star Holiday Park is in a rural setting. Ideal for those, who like a haven of quiet and tranquillity, off the beaten track, but still within easy reach of the beaches. We are located on the picturesque North Cornwall coast between Newquay and Perranporth.

## Lodges and holiday homes for sale

Our aim at Treworgans is to make your stay with us as pleasant as possible. That's why each plot comes with enough room for 2 parking spaces which does not encroach onto your 20ft x 50ft garden (27ft x 50ft for a lodge) or the extra 18ft provided for your own patio area.

Holiday homes for sale are shown overleaf or we have 2 plots available for a home of your choice.
